

A Ted Talk: Teach Every Child about Food of Jamie Oliver

Vocal (please look up in the dictionary the following words prior to watching the video)

a lifespan

a tipping-point moment

to be ripe for something

to get bullied

to be geared up

a rant

to unfold

to slag off

a crockery
to epitomise
ins and outs
to wean

please answer the following
questions and send the
answers to me before 19h
Dec 5th:

1 what will be the
consequences of the
unhealthy food on children
in comparison with their
parents?

2 which countries have diet-
related diseases?

3 what is the meaning of “the triangle”?

4 what is the problem with the American school cooks?

5 what kind of food kids get everyday?

6 what does the speaker suggest regarding supermarkets?

7 regarding fastfoods?

8 what should American kids learn after leaving school?

9 how much would cost fresh food for lunch in school?

open questions:

1 how would you describe a healthy diet?

2 how would you teach children to maintain a healthy diet?

3 what about the lunch quality at EISTI? (oh come on, things can be worse...)
