

## How does the stock market work?

*(video)*

### *A. Answer the questions*

- 1) How did the first stock market appear?
- 2) What are the steps a company passes by to be on the stock market?
- 3) How can the company's value grow?
- 4) How can it decline?
- 5) What can probably help people better track the stock market movements?

### *B. Match the words together to get collocations*

launch  
boost  
lose  
make  
look  
fund  
long-term  
economic  
financial  
collect  
quick  
market  
stock

value  
forces  
on the market  
cash  
overall market value  
funds  
crisis  
investments  
profit  
profitable  
price  
new initiatives  
boom
