- 2 Answer the questions in pairs.
- Which of these qualities are positive and which are negative?
  - Can you think of other words with similar meaning to the compound adjectives? e.g. *two-faced* = *hypocritical*
  - Which of these qualities are most important for you in a person? Which are the least desirable? Put them in order of most desirable to least desirable.
  - Which compound adjectives best describe you? Does your partner agree with you?
