

**CPI1 BBC documentary : Unpaid Internships**

<https://www.youtube.com/watch?v=aDaNnARoz1A>

**Watch the documentary extract at the link above and answer the questions below.**

1. Where is Antonia Mackay living for the duration of her internship?
2. Where is she doing an internship? (company, activity, city)
3. How far does she commute each day?
4. What proportion of the staff where she works are, in fact, interns?
5. How long are most of their internships?
6. What qualifications does Antonia have?
7. How long did Sarah Long work as an intern?
8. How was her internship different from Antonia's ?
9. According to Julian Vogel, what are the good points about doing an internship at his company?
  
10. What time did Antonia start work on the opening day of London Fashion Week?
11. How are interns who are not from a wealthy background able to live while working for free?
12. What proportion of Modus interns eventually get a job there?
13. How much unpaid work is Antonia prepared to do if it guarantees her the ideal job in the end?
14. Where are the majority of top British companies based, and why does this make unpaid internships inaccessible to so many?
15. What qualifications does Girish Gupta have?
16. How many internships has he done, and where?
17. Where did he stay and how much did it cost him? *NB: "quid" = pound, "grand" = one thousand pounds.*
  
18. How did he cover his costs?
19. What evidence is there to support his claim that he was doing the same job as the person sitting next to him?
  
20. What did he ask "The Independent" to do?
21. How did "The Independent" react?
