INTERMEDIATE

1 Presentation

The **past simple** and the **past continuous** tenses are used to talk about the past.

We use the **past simple** to talk about a completed event in the past:

Yesterday, I **had** breakfast.

Last summer, I **went** to Italy.

We use the **past continuous** to talk about a past activity that was in progress at a particular time in the past:

At 8 am, I **was eating** breakfast.

'Where were you last night?' 'I **was sleeping**.'

We use the **past simple** and **past continuous** to talk about a completed past event that happened when another activity was in progress.

It **started** to rain while I **was walking** in the park.

I **was watching** TV when the phone **rang**.

What **were** you **doing** when he **arrived**?
