

During the lesson of 17th January you are going to have a test on the main grammatical and lexical areas covered over the second half of the semester:

Grammar (consolidation)

- Past simple passive
- Present perfect vs past simple

Vocabulary

- Leisure: sport, music
- Information technology: computer hardware and software, the Internet.

You will need to revise from the following documents, all of which can be found on AREL, scenario CPI1 PAU 2017-2018 SEMESTER ONE, activities LEISURE and INFORMATION TECHNOLOGY:

- Language for sport
- Music
- Computers and the Internet
- Mouse and troubleshooting
- The jobs we'll lose to machines

You may be tested on your ability to do any of the following:

- Write verbs in the appropriate form according to the context
- Provide definitions in English for given words/find English words for given definitions
- Complete sentences using the target vocabulary (gap-fill)
- Translate sentences containing the target grammar and vocabulary from English to French and/or French to English.

I recommend the following websites for revision and practice:
