Running and swimming

### **Trips**

Canada, Bali, Middle East and Northern Europe

## Design

### Graphic and motion design

1. Only put your age if you believe it is to your advantage. It is not compulsory.
2. Put the name of the institution in full.
3. Put the name and location of the school.
4. Department
5. Indicate the duration of the project
6. Notice how he has listed his accomplishments using different action verbs in the past tense.
7. Notice how he has effectively justified his “fluent” level with examples.
