

# Accenture

## Internship Luxembourg 2012-2013

Job Location: Luxembourg

**Schedule:** Full-time

Accenture offers an internship within the Financial Services Practice

Will you take the challenge of determining who should win the Innovation Awards....?

Are you looking for an internship which would allow you to play an active role within the selection of the best innovations of the Belgian financial world? Accenture offers you the opportunity to perform a full time internship of several months in our Brussels office.

You will work within a team composed of other interns and of Accenture consultants. The team will be in charge of the organization of the Accenture Belux Innovation Awards for Financial Services - the second edition of an event aiming at promoting and rewarding innovative projects in the financial domain.

### You will be responsible for:

- Identifying potential candidates to the Innovation Awards ;
- Contacting and giving support to the competing companies ;
- Maintaining the content of the website that has been created for the Innovation Awards ;
- Following up on a daily basis with the various stakeholders :
  - Organizing partners ;
  - Potential candidates - SMEs and big financial players ;
  - Accenture's consultants and management ;
  - Other interns ;
- Participating in and optimizing the ranking process, aimed at evaluating the applying concepts ;
- Taking part in the internal and external communication regarding the Innovation Awards : organization, social media strategy, promotion ;
- Helping in the event organization ;
- Acting as a support for the fast processing of day-to-day requests.
