**CPP  
INVESTMENT  
BOARD**

Job ID #: 844

Functional Area: Investment Management

Position Type: Intern

Experience Required: Not Indicated

Location: Toronto, Canada

Department: Public Market Investments Dept

Education Required: Not Indicated

## Company Description

### **Challenge yourself. World-scale opportunities at CPPIB.**

Where you choose to begin the next stage of your career is important. When you invest in your career at CPPIB, you join one of the fastest growing institutional investors in the world, with current assets under management valued in excess of \$180 billion. CPPIB offers careers that accelerate your learning and exposure, and keep you challenged and engaged. Operating as an independent investor, our single purpose is to invest the long-term assets of the Canada Pension Plan on behalf of 18 million contributors to maximize returns without undue risk of loss.

At CPPIB, you can look forward to:

- Working with world-class talent with diverse backgrounds and deep experience.
- A team-oriented approach that recognizes high performance and values integrity.
- Global exposure and opportunity, working with teams across our offices in Toronto, London, Hong Kong, New York and São Paulo.
- Building a diverse, actively managed investment portfolio with a long-term approach.

If you share our sense of purpose, here's an opportunity for you to invest your career at CPPIB.

## Position Description

We are recruiting for an **Equity Trading Intern** to work on the Global Equity Desk of GCM from May to August.

### ***Role Specific Accountabilities***

- Analyze and help manage the Canadian, Foreign Developed and Emerging Markets passive portfolios for rebalancing and value-add opportunities
- Evaluate trading flows to improve performance and efficiency
- Maintain execution performance databases to enhance trading strategy selection
- Participate in various departmental projects and ad hoc duties as required

### **Position Requirements**

#### ***Required Skills:***

- The ideal candidate will be pursuing an undergraduate degree in Math, Engineering, Computer Science, or similar degree with an avid interest in business and finance
- Excellent academic performance
- Strong communication skills in a team environment
- Experienced MS Excel user
- Strong mathematical background and aptitude for analytical thinking
- Demonstrated interest in capital markets and the investment process; ability to interpret economic news and market data points in forming a reasonable conclusion or opinion
- Detail-oriented with an ability to produce high quality work
- Ability to prioritize work and manage multiple responsibilities simultaneously
- Candidates must exemplify CPP Investment Board's guiding principles of high performance, integrity and partnership

#### ***Method of Application:***

If you have an interest in working with talented professionals in the financial industry in an environment of integrity, partnership and high performance then you should consider a career at CPP Investment Board.

**To apply, please include a cover letter, resume, and transcripts (full unofficial version) via our career site <http://www.cppib.com/careers/>.**
