

Intern Financial Management (m/f)

Allianz - München

Together with its customers and sales partners, Allianz is one of the strongest financial communities with a presence in over 70 countries. Around 78 million private and corporate customers rely on Allianz's knowledge, global reach, capital strength and solidity to help them make the most of financial opportunities and to avoid and safeguard themselves against risks. Our ambition is to be the partner of choice - with excellent employees, top-notch operating performance and the necessary financial strength. Join us to be part of our community!

Within **Allianz Group**, **Allianz Asset Management (AllianzAM)** is the financial and governance holding company for the asset management business of Allianz SE, with more than EUR 1,900bn of assets under management and 5,000 employees worldwide. AllianzAM is comprised of two separate investment management companies: Allianz Global Investors and PIMCO.

Allianz Asset Management (AllianzAM) has created a business structure that both enables it to meet the demands of clients on a local basis and that empowers its investment managers to focus on achieving strong and consistent investment results.
