How the **Norwegian economy** is doing...

.... the **world's highest per capita Gross Domestic Product (GDP)** at 53,000 USD per person. With oil prices spiking to new highs, quite literally, Norway's ship has come in. No wonder Norway was recently named as the '**Happiest Country in the World**' by the Legatum Institute.

What it's like to **live in Argentina...**

While the work day in Buenos Aires and its suburbs is generally considered to be 9 am to 6 pm, **workers do not rigidly leave at quitting time** when there is a heavy workload. This is feasible due to the country's eating customs, with its **long meal times and 10 pm dinners.**

Club Mount Stephen

<http://www.clubmountstephen.com/> (French)

Founded by a group of Montreal businessmen, the club started in 1926 on the estate of George Stephen, co-founder and first president of the Canadian Pacific Railway, and is now primarily social in nature. The facility is historic and hosts a world-class restaurant. The club organizes, for its members' enjoyment, major social events such as gastronomic festivals, wine tastings, art exhibitions, opera nights and an annual gala, 'International Flavors.' Membership gives all members access to some 250 affiliated clubs around the world, as well as hotel, golf course and tennis club discounts.

How to **do a CV** for Dubai...

What most applicants in UAE tend to do that is different from résumés in the West is to **include a lot of identifying information, such as nationality, passport number, driver's license information, visa status, date of birth, marital status and sponsorship information.** (If one is an expat living in Dubai, one needs a sponsor; the sponsor could be an educational institution, a parent/spouse or a company.)

H-1B Visa Employers for Chicago

[Back to Metro Listings](#) | [Go to State Listings](#) [More about H1B's](#)

The H1B records below list the companies that have submitted the greatest number of H1B visa petitions for this location.

This information was gathered directly from Department of Labor (DOL) records, which is the government agency responsible for all H1B submissions. Once a year, DOL makes available a listing of all companies who have submitted H1B visa applications for the prior 12 months, from October to September. The records contained in Going Global's H1B database are the most recent records available.
